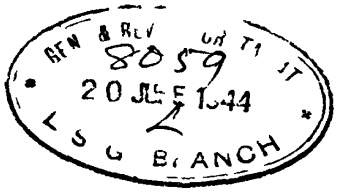
Mr Mr 40-44-1

No A3-C 2179-166/42-43 Office of the Deputy Commissioner,
Kadur District,
Chickmagalur, dated the 15th June 1944

To

The Legal Remembrancer and the
Secretary to Government,
Law Department-
Bangalore



Sir,

Subject - Regarding construction of a building for holding classes of the Municipal High School at Birur

&&&&&&&&&&&

I have the honour to state that an estimate costing Rs 19,400/- has been prepared for the construction of a new building for the - Municipal High School, Birur A Government grant of Rs 6700/- being one-third of the estimated cost has also been sanctioned in Government Order No E 3360-61/Edn 122-42 dated 18th February 1943 The approved plans and estimates were sent to the Executive Engineer, Kadur Division, on 2nd June 1943 and he was requested to take immediate action to - commence the work It was intimated by the Public Works Department that the amount of the sanctioned estimate for Rs 19400/- would go up to Rs 26,000/- owing to the increased cost of materials, due to the existing war conditions

2 The plans and estimates were sent to the Superintending Engineer for obtaining administrative sanction thereto and tenders were called for the work The cost of the work at the rates tendered by the Contractor amounts to Rs 25,979/- The Director of Public Instruction in Mysore, Bangalore was addressed for the enhancement of the Government Grant from Rs 6,700 to Rs 8,700/- Necessary action was also taken to provide the remaining amount Neither the original estimate nor the tender has been sanctioned till now

3 In the meanwhile, the Government Architect has sent a fresh design for the work in question The question of adopting this design is under correspondence in the Public Works Department There is no probability of taking up the work and completing it even in the next year. The school has commenced in May 1944 with all the three classes

8059

having a total strength of about 120 pupils Much difficulty is being felt by both the teachers and students owing to the inadequacy of accommodation At present, the classes are being held in the Town Hall and a private building belonging to the Co-operative Society

4 As it is proposed to have two Sections in the I year class, the Birur Town Municipal Council have resolved at their special meeting held on 8th June 1944 that a hall measuring - 24ft x 15ft may be constructed immediately, behind the existing Town Hall at a cost of Rs 1500/- exâluding the cost of articles which would be available by the demolition of another Municipal building and that the expenditure in this behalf may be met out of the closing balance It has also been resolved that a committee consisting of three members may be formed to supervise the work and to complete it within one month

5 As additional accommodation has to be provided for - immediately, I request that sanction of Government may be kindly obtained early for the proposal of the Birur Municipal Council The estimate and plan will be obtained from the Municipal President and sent to you A copy of the resolution of the Municipal Council is enclosed for favour of reference This room will also be required by the Municipality later for the Office as the place where the Office is now held, has not got sufficient accommodation

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,
Kadur District.

SIR

Subject Re the construction of a building for holding classes of the Municipal High School at Birur

In continuation of this office letter of even number dated 13th June 1944 on the above subject, I have the horour to forward herewith an estimate and plan received from the President, Municipal Council, Birur It is reported that the strength of the High School is more than 180 and as the school authorities are pressing for accomodation, the work has already been commenced in anticipation of sanction thereto

I

10 11/2

4-24

I request that orders of Government may kindly be obtained early in the matter

The Executive Engineer's opinion will be obtained before passing the bills

It will take another two years at least for the Municipal High School building to be ready if the present rate of progress is kept up The strength of the school is rapidly growing and it will be necessary to utilise this extra room permanently for the High School, as the laboratory or an additional class room can be conveniently located in the new building

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
KADUR DISTRICT

Tss

1) The connected file was sent to the Taluk Office on 8/7/44 for its return which will be awaited 2) Reminder sent on 19/7
